

Machinery breakdown insurance

If the productivity of your company is heavily dependent on the smooth operation of machinery, then this insurance cover is vital for you. Our Machinery Breakdown insurance covers the cost of repairs or replacement of damaged machine parts due to accidental breakdown of, and physical damage to, the machinery covered in the policy.

What's covered?

- Strike, Riot & Civil Commotion
- Flue gas Explosion

Is it for me?

A lot of industrial operations especially in manufacturing rely on the smooth operations of machinery.

In the event of a breakdown, the company can experience severe loss of business that can significantly harm margins. We highly recommend machinery breakdown cover for such businesses.

What's NOT covered?

- Wear, Tear and Depreciation
- Loss or Damage due to Fire
- Loss or Damage due to Pre-existing Faults or Defects
- Loss or Damage for which supplier, contractor or repairer is liable
- Loss or Damage due to willful Act or Gross negligence of Insured or its employees
- Nuclear Energy Risks Exclusion Clause (NMA 1975)
- War, Civil War, Political Risks & Terrorism and Exclusion Clause
- Electronic Date Recognition Clause (EDRC)
- Consequential loss of any kind.
